March Against Hunger

March 16-31, 2009

A CALL FOR ALL LAW FIRMS TO ENLIST IN THE GENERAL'S ARMY!

The March Against Hunger is a statewide competition between law firms in Indiana to raise much-needed resources for regional food banks. The firm collecting the greatest amount of food and money March 16-31 wins the Attorney General's Cup!

The Office of the Indiana Attorney General and the Indiana State Bar Association are joining forces with Feeding Indiana's Hungry (FIsh), an organization that provides hunger relief in all 92 counties. FIsh will work with participating law firms to make sure food and money collected is distributed in their local communities.

Help us win the battle against hunger. Donate food and money for the hungry in your community. Hungry Hoosiers need:

- ★ Canned meats like tuna and chicken
- ★ Heat & serve meals such as soups and ravioli
- ★ Kid-friendly foods like macaroni, cereal, and applesauce cups

- ★ Canned fruits and vegetables
- ★ Peanut butter and jelly
- ★ 100% fruit juices

Please no glass containers. Non-perishable food items only.
